"The American flag was intended to be the emblem of all the people who eating. are loyal to the government. It was Celebrated Mixed Paints, not designed for the purpose of being the badge of any party, faction, creed or society. Every American citizen entitled to its protection, and as long as he is loyal to it no other citizen has the right to appropriate it for personal or partisan purposes.

There has been too much abuse of the flag recently. Not long ago it was adopted as a sign of membership in a secret organization whose purposes so far as known, were not in accord with some of the rights guaranteed by the titution. Then it was taken up by one political party to indicate that bers were the sole and only guardians of the nation's honor and relfare. Now the opposition party, the emblem which should be reverenced and respected and placed far above the scurrilities of party strife, is to be dragged through the mire of a politi-

ous and a great deal that is disgusting n it all. Everybody knows that one hat the flag is in no danger from either. Both are ready to defend and protect it. It is not an issue in this mpaign and it can not be made one.

It would not be amiss, however, to enact a law providing that the stars and stripes, which symbolize all the ald not be used for purther than those for which they

SENATOR GORMAN'S FIGURES.

Bryan Sure of Election, Having 232 Electoral Votes and 86 More in Sight.

Washington, D. C., October 22.—Senator Gorman, of Maryland, has been in close communication with friends in all the States and says that Bryan is absolutely sure of election. Senator Gorman's opinion carries great weight on account of his unusual facilities in getting accurate information and his known conservatism. Senator Gorman says that Bryan is certain of cans, aided and abetted by the Bolto- 232 electoral votes and that his chances of getting all or the greater portion crats, show a probable plurality of of eighty-six more are at this time much better than McKinley's.

One thing is sure, the country or three packets of jewelry. Even at hard-working and strictly partisan, probably in ten years he may get recognition.

A POOLISH STEP.

The Demogratic office holders, with

hand, the outlaws uncoupled the ex-press car from the coach following it and then marched their prisoners forhim that they were on a hill and that if he left the engine improperly guard-ed at the top of the hill it would crash back into the train, or else, if left on the opposite grade, crash down into the train supposed to be waiting at Independence. The bandit said he would take care of the locomotive. With this the outlaws pulled out, hav-

the train did not know w caused the delay until nearly two hours afterward, and amused the walk to Independence the alarm was sent out. A deputy sheriff and posse left Independence at about 9 o'clock to-night and about the same time a squad of policemen was detruct on here and left for the scene of the rob

bery on a special train. It is thought, however, that the outlaws are now safely out of the way. So far as can be learned the robbers secured only the packets of jewelry and \$25 in currency, which the fireman How much money the measurger saved by throwing it into the coop the express officials will not say.
